Dealerships

In the fast-paced dealership industry, ownership and management face a variety of operational and financial concerns that challenge them on a day-to-day basis.

These concerns include:

- ⦿ Franchise/Manufacturer Compliance
- ⦿ Franchise/Manufacturer Over-Reach
- ⦿ Government Regulation Compliance
- ⦿ Cash Flow Management
- ⦿ Inventory Management
- ⦿ Asset Utilization/Optimization
- ⦿ Managing Corporate Enterprise Risk
- ⦿ Sourcing and Preserving Capital
- ⦿ Business Succession

As your business continues to evolve, your trusted advisor must stay one step ahead.

FMD professionals continuously monitor economic issues and anticipate your company's future needs. This proactive mindset is the cornerstone of sound financial planning and separates financial strategists from historical accountants.

We treat our client's business as our own.

We spend time at your facility and participate in planning for your business. The experience we bring to your business is key for advancement and growth in a variety of dealership disciplines including:

- ⦿ Franchised New Car and Truck Dealerships
- ⦿ Heavy Truck Dealerships
- ⦿ Recreational Vehicle Dealerships
- ⦿ Marine Dealerships
- ⦿ Non-Franchised Car and Truck Dealerships
- ⦿ Motorcycle and Power Motorsports Dealerships
- ⦿ Construction Equipment and Tractor Dealerships
