

We provide strategic direction, tax, and financial reporting service solutions.

Construction

Construction contractors face a variety of operational and financial concerns that challenge them on a day-to-day basis.

These concerns include:

- ⌚ Analysis of insurance coverage
- ⌚ Cash flow and WIP job cost analysis
- ⌚ Claims dispute resolution
- ⌚ Compensation analysis
- ⌚ Contractual audits
- ⌚ Cost segregation
- ⌚ Multi-state contractor pre-qualification rules and compliance

As your business continues to evolve, your trusted advisor must stay one step ahead.

FMD professionals continuously monitor economic issues and anticipate your company's future needs. This proactive mindset is the cornerstone of sound financial planning and separates financial strategists from historical accountants.

We treat our client's business as our own.

We spend time at your facility and participate in planning for your business. The experience we bring to your business is key for advancement and growth in a variety of construction disciplines including:

- ⌚ Commercial Construction
- ⌚ Residential Construction
- ⌚ Subcontractor / Trades
- ⌚ Industry material providers
- ⌚ Service providers
